

**PASADENA CITY COLLEGE  
INTERSEGMENTAL GENERAL EDUCATION  
TRANSFER CURRICULUM (IGETC)  
2021 – 2022**

The courses listed below fulfill the lower-division general education requirements at all UC and CSU campuses.

Student Name: \_\_\_\_\_ Counselor Name: \_\_\_\_\_ Date: \_\_\_\_\_

**GENERAL INFORMATION**

1. Transfer to the UC system consists of reaching junior status by completing **60 UC-transferable units** with a minimum 2.4 GPA, including general education, major requirements, and/or electives. A maximum of 70 UC-transferable units are applied to the bachelor's degree after transfer.
2. IGETC certification requires completion of all requirements passed with a minimum grade of C prior to transfer.
3. IGETC certification is not a requirement for admission to most UCs and CSUs, nor is it the only way to fulfill the lower-division requirements. Meet with a counselor and visit [www.assist.org](http://www.assist.org) for more information.
4. Students planning to transfer to the CSU may elect to follow the CSU General Education pattern.
5. A course can be used only once to fulfill an Area 1 through 5 requirement.
6. Students whose majors require more than 30 units are encouraged to meet with a counselor and visit [www.assist.org](http://www.assist.org) regarding the advisability of completing all major requirements instead of all general education requirements.

<b>AREA 1. ENGLISH COMMUNICATION—6 semester units</b> (8-10 qtr. units). Must be completed prior to transfer. One course from 1A and one from 1B. Group 1C: for CSU only, 3 additional semester units (4-5 qtr. units).		<b>N</b>	<b>IP</b>	<b>C</b>

AREA 5. PHYSICAL AND BIOLOGICAL SCIENCES—7-9 semester units (9-12 qtr. units). At least two courses, one from 5A, one from 5B. At least one of the courses in 5A or 5B must contain a laboratory component. <u>Underlined</u> course numbers have a laboratory component embedded in them, and fulfill the Area 5C requirement. If neither course chosen from Areas 5A and 5B has a lab component embedded in it, then a separate laboratory course must be chosen from Area 5C, in the same discipline as one of the courses taken in 5A or 5B. Note: No separate lab is offered in Astronomy or Psychology.		N	IP	C

Other:	UC only		

<b>CSU only:</b> All CSU campuses require a U.S. history and an American government course for CSU graduation. This requirement may be met prior to transferring to a CSU by taking POLS 001 (Area 4), <b>and</b> one asterisked (*) course in U.S. history from Area 3 or 4 (HIST 007A, 007AH, 007B, 007BH, 025B, 029A, 029B, 071 (~041), 081 (~031)). Courses used to meet this requirement may also be used in Areas 3 and/or 4 with the approval of the CSU campus where a student is accepted.			
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--	--	--

N, IP, C: Need, In Progress, Complete

◊: Courses listed in more than one area may be certified **only** in a single G.E. area.

\*: These courses can be used to meet the *CSU American Institutions and U.S. History* graduation requirements.

(~): Former course number.

†: These courses have credit limitations for UC. Consult a counselor or [www.assist.org](http://www.assist.org) (select Pasadena City College, click "UC Transferable Courses").

Underlined course numbers: These science courses have a laboratory component embedded in them.
