The information you enter will be provided to all the colleges and programs you've selected to receive your information. If you have information specific to an institution, or if you need to provide additional information, please send it directly to the appropriate colleges and programs. *

Since 2020, my father's business was hit hard by the pandemic, followed by political turmoil, and the coup in recent months. I have two brothers attending university abroad. One just transferred from a community college. Considering these circumstances, it is obviously hard for my family to support three of us at the same time. My family contribution is expected around 15000 USD and no more than 20000.
