MYANMAR

Dear Khant:

Congratulations! It is my great pleasure to welcome you to DePauw University and offer you the opportunity to join our community of leaders and scholars who exemplify what it means to be Gold Within. In choosing DePauw, you will follow in the path of successful students who experienced just what it means to be a part of our community that spans across your peers, our dedicated staff, our supportive faculty and our accomplished alumni. Our commitment to your success starts right now and, it will continue throughout your time here and well beyond you crossing that graduation stage. You, too, are already Gold Within.

Additionally, I am pleased to offer you a DePauw University Merit Scholarship in the annual amount of \$34,000, an International Grant in the amount of \$9,000, an Institutional Loan in the amount of \$2,000, and a Campus Employment Funding (must be earned) in the amount of \$2,500. The scholarship is renewable each year for a total of four years, contingent upon meeting each of the following criteria:

- To be enrolled as a full-time student (minimum of 3.5 credits each semester).
- To maintain a minimum cumulative grade point average (GPA) of 2.75.

Please note that an increase in scholarship funds is **NOT** available to students after the first-year of study at DePauw.

To help you prepare for active engagement in the DePauw classroom, I want to encourage you to attend the *DePauw Summer English Immersion Institute*, a comprehensive academic and cultural program tailored for high-achieving international students. The institute will be held on DePauw's campus on **July 29-August 13**, prior to the start of mandatory International Student Orientation on **August 15-18**. This program offers several advantages, including: first-hand experience in the DePauw classroom; intensive preparation for an all-English academic environment and cultural activities and excursions. After successful completion of the English Institute, students will receive Extended Studies credit. Because spots in the program are limited, we encourage you to complete the interest form by May 1. Students will be enrolled on a first come, first serve basis and will be notified of their enrollment status by early June. **Register for the program at [www.depauw.edu/summerimmersion](http://www.depauw.edu/summerimmersion).**

For 2022-2023, the total cost of attendance is \$69,810. The cost of attendance varies each year, and there are annual increases in tuition due to inflation. Below you will find a breakdown of costs.
