What story will you tell?  

Welcome to Thermo Fisher Scientific! We are delighted you are joining our organization. Your role is critical in fulfilling the Mission of Thermo Fisher Scientific and we look forward to working with you. Please keep in mind that your start date is tentative based upon completion of your pre-employment screening. For questions related to this process, please reach out to your contact on the Talent Acquisition team.

Pre-Employment Screening Information:

Thermo Fisher Scientific's Mission is to enable our customers to make the world healthier, cleaner and safer. That Mission starts within our own work environment. **Following your offer acceptance, you will receive an email from First Advantage to begin your pre-employment screening.** As such, drug screening is a critical component of the pre-employment screening process. Your drug screen must be completed within **72 hours** of the drug screening invitation being sent. Failure to complete the drug screen within the allotted time may impact your ability to move forward in our hiring process. If you do not see this email in your inbox, please check your spam/junk folder.

Note: You may be contacted by a First Advantage representative if additional information is required to complete your pre-employment screening. Please promptly respond to all requests and provide any documentation that will aide with verifications to prevent a delay in your start date.

- If you encounter any issues when completing the First Advantage form or require an alternate testing location for your drug screen, please call First Advantage at 1-866-394-3767 for assistance.

Onboarding Instructions:

Following your offer acceptance, you will receive an email from ColleagueServices@thermofisher.com with the subject "Welcome to Thermo Fisher Scientific! It's time to start your journey!" If you do not see this email in your inbox, please be sure to check your spam/junk folder.

This email contains a link to access our Colleague Services Center and you will be provided with a username and password to login.

It is important that you login to our pre-hire portal on our Colleague Services Center to begin your onboarding journey and learn more about what to expect over the next several weeks. We encourage you to visit the pre-hire portal frequently to ensure that you have completed your critical tasks and are set up for success on your first day.

Form I-9 Actions:

Within the pre-hire portal on the Colleague Service Center, you will have a task to complete your Form I-9 within the 'My Tasks' section. **Please allow at least 24 hours after acceptance, before taking action on the I-9 task.** When completing the I-9 task, ensure you utilize Google Chrome as your web browser. Please read the instructions within the task carefully. When you click the URL within the task, you will be taken to a knowledge article with further instructions and a URL to login to our I-9 Compliance Center.

Should you have any questions or issues with completing your Form I-9, please contact us.is@thermofisher.com.

IMPORTANT - Failure to return any supporting documents or failure to act on any of the above tasks within 48 hours of receipt will affect your start date, therefore it is important that you respond to all of the communications you receive. In the weeks prior to your start date, please check your email often for updated information pertaining to your employment.

Colleague Services and the Colleague Service Center:

Colleague Services is our highly skilled and knowledgeable HR team within the Colleague Service Center, here to respond to your inquiries to ensure positive resolutions to your HR questions and needs.

Colleague Services can be engaged through the Colleague Service Center. You can open a case with Colleague Services through the pre-hire portal – it's easy to submit your question or inquiry, and the streamlined platform ensures your case is immediately routed to the right point of contact. Alternatively, you can email the team at ColleagueServices@thermofisher.com.

PLEASE NOTE: Upon hire, you may experience a slight delay in access to benefits enrollment, 401k, Payroll, and the Total Rewards site. This delay could last approximately 7-10 days; however, it will NOT impact your benefits eligibility date or paycheck.

Thank you and welcome again to Thermo Fisher Scientific! Our Talent Acquisition Team is here to assist you with any questions you may have during your onboarding. We wish you a happy and successful career and can't wait for you to join us!
