Dear Khant,

Thank you again for opting into UC Berkeley's waitlist. We appreciate your patience throughout this process.

After careful review, we regret to inform you that we are unable to offer you admission from the waitlist. This year's entering class was particularly competitive due to the high number of exceptional applicants. We recognize your impressive qualifications and are confident that you have a bright academic future ahead, whether at another institution or in the many opportunities that lie ahead.

We sincerely wish you every success in all your future endeavors.

Sincerely,
